

Estonian Folk Art and Craft Union
Our craft and design of today

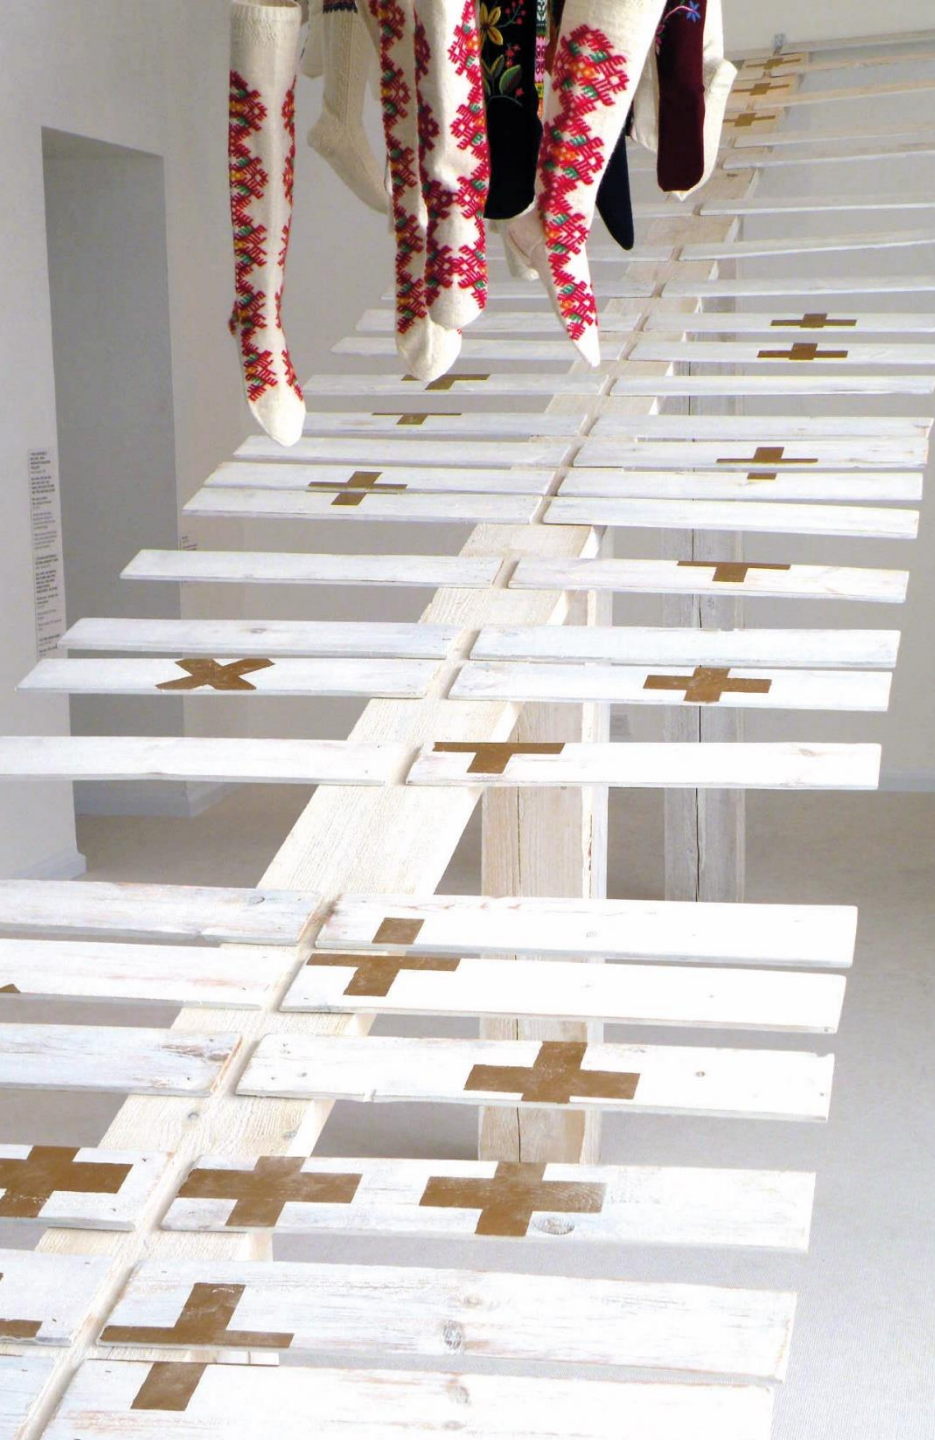

EFCU

EFCU is a **non-profit organization**, that values, preserves and develops **national handicraft traditions as cultural phenomenon** as well as a **source of subsistence**.

The union has **members** (non-profit organizations, fellows) in every county.

We unite national sub associations on specific forms of handicraft work and heritage masters workshops .

**EFCU is a
member of**

- The Nordic Handicraft Association
- European Craft Organization
